Andrew Rushbury · 1st
Ecommerce Manager specialising in E-Commerce and IT at SGS Engineering UK Ltd
April 8, 2016, Andrew worked with Adam on the same team

Adam is great with attention to detail and fulfilling projects on time and to a great specification. All work was completed on time, with some great development ideas added to projects for both current and future development. Adam is constantly looking for new and developing technologies which he uses in his projects. I wouldn't hesitate in using Adam in any projects or jobs in the future.

Lei Tang · 1st
Senior Delivery Lead / Agile Coach at Nando's UK & IRE
December 7, 2015, Lei worked with Adam on the same team

Adam's one of the most technically gifted developers I have worked with during my time at Juno, and has greatly helped me expand my technical knowledge and passion for software.

He has a great talent to adopt & integrate new technologies but also translate them into reusable solutions. He also holds the ability to inspire and teach his team to think outside of the box during inception and execution. ...
